

High Street Sanitary Sewer Relocation Project Begins

(PORTSMOUTH, VA – April 3, 2018) – Beginning Tuesday, April 3 – August 2018, Shenandoah Street between Nansemond and High streets will be closed for the High Street Sanitary Sewer Relocation Project

Gaston Brothers Utilities (GBU) will be performing work on the High Street Sanitary Sewer Relocation Project for the City of Portsmouth. The work includes the replacement of the sanitary sewer and water utilities and requires the temporary closure of portions of Shenandoah and High streets. GBU will exercise all available measures to maintain access to homes within the project area and make every attempt to minimize the duration of the impact to the community.

Gaston Brothers Utilities is coordinating every aspect of the project with the City of Portsmouth, Department of Public Utilities. If you have any questions during construction of this project, please contact the GBU office at (757) 545-3206 or our field superintendent, Mike Archbell at (757) 478-9741.
