**Road Closures Announced During Public Utilities Work
Crawford Street Reopens June 11**

The City of Portsmouth announces the following road closures during the Downtown Water and Sewer Rehabilitation Project work of the Department of Public Utilities and additional sewer repair work. These closures are 24-hours and detours will be marked with signs.

-Effective **today, June 6**, Glasgow Street, between Middle Street and Crawford Street, which has been closed to thru traffic during the work on Crawford Street this spring, will be closed to all traffic for approximately two months.

-Beginning at 7 a.m. **Monday, June 11**, Middle Street will be closed to thru traffic from Glasgow Street to the dead end north of North Street for approximately 2½ months. Also, Middle Street will be closed to thru traffic between London Street and Glasgow Street for this timeframe.

-The portion of Crawford Street that has been closed between High St. and London Blvd., will reopen to traffic on Crawford St., **Monday, June 11**.

-Beginning Monday, **June 11, at 7 a.m. through Friday, July 20**, at 5 p.m., Summerset Drive will be closed to all traffic at Merrifields Blvd. This will be a 24-hour closure during sewer repair work and detours will be marked with signs.

For more information, contact the Department of Public Utilities at 757-393-8691.
