

Volunteer Opportunities Flourish at Safety Town

(PORTSMOUTH, VIRGINIA - SEPTEMBER 14, 2020)

On Friday Sept 11, volunteers from **The Mission Continues**, a Hampton Roads based veteran supported non-profit, worked all day at Safety Town to improve the landscaping and install paving bricks around several static displays. Safety Town is focused on providing quality and meaningful safety training throughout the school year to all Portsmouth Public School students in kindergarten, first and third grades.

#We are Portsmouth Proud.
