The Olde Towne Business Association is excited to announce that the Antique & Flea Market will be returning to its original location in the Middle Street Garage on Saturday, August 7. The Olde Towne Antique & Flea Market has been a favorite of treasure hunters since August 2003. With 75 vendors selling an amazing variety of antique and flea market items, as well as art and handcrafted goods, there is something for everyone. Since the market has been closed for over a year, this group of collectors has had time to stock up, and they are thrilled to share their wares with treasure hunters near and far. Please join the Olde Towne Business Association and come out to welcome them back on August 7.
