

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

It is a scattered site program where the participants have choice in selection of their housing and treatment/services in the community. Portsmouth Housing First 3 is funded for 7 units. Virginia Supportive Housing (VSH) provides a Housing Stabilization Team that serves the participants of the program – from outreach through housing stabilization.

The local community continues to identify Permanent Supportive Housing for Chronic Homelessness as a critical need in the community. Persons are identified through the Portsmouth Continuum of Care members, including: PATH Street Outreach Program, Oasis Social Ministries, and Portsmouth Volunteers for the Homeless, identifying those chronic and most vulnerable by utilizing a common assessment tool- the SPDAT.

Support services and housing stabilization ensure housing retention and positive outcomes. The program focuses on outcomes that address ending chronic homelessness, ensuring housing stabilization, provision of and connection to services and resources for stabilization and wellness, improving income, and graduations to self-sufficiency and affordable housing. VSH coordinates with other community partners from outreach through housing.

The Housing First staff partner with the Portsmouth CoC partners providing outreach and using the SPDAT. Services and resources are provided by VSH staff and with partners from Hampton Roads Community Health Clinic (Health Care for the Homeless and FQHC), Hampton Roads Dental Clinic, Portsmouth Department of Behavioral Health, Chesapeake Community Services Board (PACT program Portsmouth/Chesapeake), Oasis Social Ministry, EVMS Clinic, Sentara Ambulatory Care Clinic, Bon Secours Care-A-Van, Social Security, Department of Rehabilitative Services, Portsmouth Social Services, and the Veterans Administration.
