Road Closures at County Street During Construction Project

The City of Portsmouth announces that County Street will be closed to thru traffic between Yorktown Avenue and Williamsburg Avenue, which is adjacent to the Portsmouth Social Services Building; and, at Yorktown Avenue between King Street and County Street, beginning Friday, March 14th.

Posted detours are in place. Access to all buildings and residences along County Street and Yorktown Avenue will be maintained.

These streets will be closed to thru traffic until further notice to facilitate construction-related activities for the new Behavioral Healthcare Services building.

For more information, please contact the Engineering Department at 393-8592.
