### **Asphalt Repairs Scheduled for Churchland Railroad Crossings**

The City of Portsmouth announces that Virginia Port Authority contractors will be repairing asphalt pavement at several former railroad crossings in Churchland. The railroad crossings include High Street West, Churchland Boulevard, West Norfolk Road, Lilac Drive, and Cedar Lane. Weather permitting, this work is scheduled to start on Monday, August 5<sup>th</sup> and be completed by Wednesday, August 7<sup>th</sup>. Motorists should expect delays due to lane closures and temporary closures at intersections for short periods of time.

For more information, call the Department of Engineering at 393-8592.
